Outside fairs, Readings are currently £26.00 only and all included. (60 minutes) but for the first appointment, since there is so much that my Numerology can help you with, I strongly recommend to take the 90 minutes for £38.00 only or £47.00 for 2 hours. (I do apologise but I do not take credit cards).

Children can also be studied for the benefit of the parents and later on the child himself. Please check www.didierboyer.co.uk for more details including contact details.

Readings at fairs and private parties away from Norwich are normally more expensive due to high overheads so why not treat yourself, a friend or a family member to a Face to Face or a Telephone Reading, you won't be disappointed.
